

Changing the World –  
One Organization at a Time®

## **Consultant/Project Manager**

### **The Position**

This is a unique opportunity for the right person to grow and develop into a Senior Consulting position with a national organization in the Southwestern Ontario area. The successful candidate will be managing projects that include selling training programs and psychometric assessments; setting up online assessment inventories; liaising with internal coordinators and facilitators; and occasionally, facilitating in-house and online training programs. Clients include corporate executives, HR professionals, independent consultants and internal HRD consultants.

### **The Organization**

This progressive firm is located in [St. Marys Ontario](#). You will be one of three consultants serving the nation. The organization is well known for having a strong Constructive culture and enjoys a superior reputation for customer service. Its clients include some of the largest and best known organizations in the country.

### **Work Schedule**

The successful candidate will work an average of 37.5 hours per week. Although we believe in the importance of in-person interactions, there is some flexibility with office hours and occasionally working from home.

### **Job Requirements**

The job requires a good understanding of organizational behaviour, superior communication skills, good time management skills, an ability to work independently – and as part of a team, and great customer service skills. A good working knowledge of Word, Excel and PowerPoint is essential. Some travel is required.

Ideally, the successful candidate will have at least two years' experience in sales and a leadership background—preferably within a corporate setting. HRD experience is a definite asset. A university degree or a diploma in business (or equivalent) is a requirement.

### **Salary**

Depending on experience, the starting salary is \$55,000 plus benefits (incl. basic health and optical).
